

# My Prayer-Walk

## Praise God for His Creation!

 Draw something amazing you've seen on your prayer walk today.

*"We praise you, God, for all you have made, Amen."*

How are you feeling at the start of your walk?

How are you feeling at the end?

What might God be saying to your family today?

# My Prayer-Walk

What have you seen that is broken, damaged, worn out or not working as it should?

 Can you draw a picture of how you think it should be?

*“Father God, we pray that you would make all things new, Amen”*

We'd love to see your responses! Take a picture of your child's completed sheet and post it to your social media, tagging Arise and God for Kids App, or using the hashtag **#arisemarch**.
