

SHEFFIELD 2021

PRAYER IN ACTION

Arise, prayer-walk, and bring hope to your city this Spring

PRAYER

Arise and cover Sheffield in prayer.

Followers of Jesus across Sheffield will be using the Arise prayer-walking app to pray for streets near their home, school, or workplace during their daily walk. The vision: to prayer-walk every street in Sheffield between 1-31 March 2021.

SHARE

Local church groups are devising additional ways to share their faith with their communities.

Some groups are decorating Easter windows, delivering the gift of a 'Real Easter Egg' to nearby homes, or hosting an online discipleship course.

INVITE

Arise Sheffield is sending an Easter card to every home in Sheffield via Royal Mail.

The card will go to 220,000 homes. It will invite local people to connect with their local church and watch an online video about the Gospel message, and followers of Jesus in Sheffield.
